NOTE: Bring a photo ID with you to the Livescan station and do not put lotion on your hands prior to getting fingerprinted.

If you are not a countywide substitute or ICOE employee, the Department of Justice cost for processing fingerprints via Livescan is \$32.00. If you have not lived in California for at least two years, there is an additional \$17.00 fee for FBI processing.

If you are a permanent or temporary employee of the Inyo County Office of Education or a countywide substitute, the billing number has been entered on the Livescan form and we will pay for the service but you will need to pay for the rolling fee (if not going through ICOE).

Please send the pink requesting agency copy of your completed Livescan form to:
