SUBJECT: Notice of Public Hearing Before the Inyo County Board of Education to Consider Waiver Application for Nursing Services

A public hearing will be held before the Inyo County Board of Education on August 4, 2023, at 11:00 a.m., to consider the Inyo County Office of Education (Inyo COE)'s proposed waiver application to the State Board of Education to allow the Inyo COE to hire a part-time registered nurse to provide mandatory health screenings for four of the county's smaller, rural school districts. The Inyo COE is asking that the California Education Code's requirement that the registered nurse also possess a credential through the California Commission on Teacher Credentialing be waived."
